COMMENTS FROM THE TOWN MANAGER'S OFFICE

The State aid road work on the East Bethel road is well under way, a lot of large rocks have been moved from the shoulders and banks, some fill is being hauled in. The very helpful cooperation of Mr. Stanley and family, abutting owners is very much appreciated.

The work along Railroad Street by the State Highway Commission is also coming along well, both Mr. Landers from Rumford and the foreman, Mr. Kacey, have been very considerate of the other streets leading into Railroad street.

The Northern Driving Co. of Berlin, N. H., expects to complete the Main Street place of sidewalk today, we again would like to ask all drivers to keep away from the curbing for a time to let the curb "set" before driving against it.

As you, of course, know the prompt payment of taxes will save the Town interest on borrowed money. Thanks.

CD Alert Thursday

An afternoon state-wide civil defense alert is scheduled for Thursday, August 19, at about 1:30 p. m. At the sound of the warning signals, the public is asked to take shelter.

Motorists will be requested to move to the side of the road and seek shelter if near by. If there is no shelter near, police will suggest that drivers find cover within the car.

This is primarily a public participation drill; directors and one or two assistants only will man control centers.

As the second of a series of three state-wide alerts—the next, in September, a surprise—State Civil Defense and Public Safety Director Harry A. Mapes asks whole-hearted cooperation in preparation for the September test.

The all clear will sound about 1:40 p. m.

RICE REUNION

A reunion of the Rice family was held Sunday, Aug. 8, at the home of Mr. and Mrs. Rufus Rice, Bethel. An indoor picnic was enjoyed by all. Rice, Douglas, Donna, Donald and Sally Rice, Mr. and Mrs. Guy Rice, Edward, Charlene, Clayton and Burnham Rice, all of Bethel, Mr. and Mrs. Robert Rice and baby Rhonda, Norway, Maine, Mr. and Mrs. Ralph Rice and Betty of Waterford, Maine; two aunts, Mrs. Florence Johnson, Mrs. Lillian Kneeland, Melrose, Mass.

WEEKLY BAZAAR REPORT

New booths: 4-H Girls—cookies, plants and flowers, chairman, Mrs. Abbie Brown; Cub Scouts—Novelty Concession, chairman, Pat Greiner; Penny Pitch Game, Gerald Wright.

The 4-H Girls will be very happy to receive flowers and plants for their greens booth, and the Girl Scouts and Brownies can use more articles for the Pitch Tilt You Win Game. If you have any of the articles call Mrs. Abbie Brown for the first or Mrs. Hope Parsons, Mrs. June Greig, Mrs. Rita Davis, or Mrs. Rachel MacKay for the Pitch Game items.

The call for volunteers to supply music for the parade has been very disheartening. Frank Flint, Arthur Herriek and Walter Macounes tried to get local talent together but to date the response has been so very discouraging that it is very doubtful if anything can come of it. It was hoped that if a money (\$75-\$100) usually spent on a band, could be turned over to the school band. Strange that with all the local talent there is we still have to continue getting outsiders to furnish our music. It was a good idea while it lasted.

Final planning meeting on the Bazaar will be this Thursday, Aug. 12 at 8 p. m.—in the Legion Rooms. It is hoped every group will be represented to report on their plans.

Posters donated by the Oxford County Citizen, have been printed and are now posted in 13 communities.
